Special adaptation for AP Graduates from the Danish programmes in Marketing Management, Financial Management, Logistic Management, Service, Hospitality and Tourism Management and Commerce Management of the Bachelor of Science in Economics and Business Administration

1. Description of the credit transfer scheme

Marketing Management, Financial Management, Logistic Management, Service, Hospitality and Tourism Management and Commerce Management graduates are subject to the curriculum for the Bachelor of Science in Economics and Business Administration, but the academic study board has decided they are exempt from a number of subjects and associated regulations. Section 3 below lists which subjects of the Bachelor of Science in Economics and Business Administration degree the Marketing Management, Financial Management, Logistic Management, Service, Hospitality and Tourism Management and Commerce Management graduates must pass in order to have successfully completed the degree.

These graduates are exempt from the regulations in relation to the first-year examination, and hence not required to pass the first-year examination. The local academic study board may stipulate special requirements in relation to elective subjects, and decide the content of the campus-specific subjects. The local requirements and content are specified in the local addendum to the credit transfer scheme.

*Studies commence in September in: Esbjerg, Kolding, Odense, Slagelse (Danish) and Sønderborg (English).
Studies also commence in February in Slagelse (Danish)*

2. Admission requirements

The admission requirement is a pass in a Marketing Management, Financial Management, Logistic Management, Service, Hospitality and Tourism Management or Commerce Management course. The specific admission requirements for the Bachelor of Science in Economics and Business Administration degree must also be met as specified.

See section 8 of the Ministerial Order on Bachelor and Master's Programmes at Universities.

An upper secondary school education is a prerequisite for admission to a Bachelor's degree programme. Specific admissions requirements must also be met, cf. the Ministerial Order on admissions etc. to university Bachelor's and Master's degree programmes

The specific admission requirements are listed on the study programme page at www.sdu.dk. Applicants who do not directly fulfil the requirements have the opportunity to satisfy supplementary requirements.

Special adaptation for AP Graduates from the Danish programmes in Marketing Management, Financial Management, Logistic Management, Service, Hospitality and Tourism Management and Commerce Management of the Bachelor of Science in Economics and Business Administration

3. Subject names, ECTS points, examination weighting and marking/assessment for Marketing Management graduates

The table below lists the subjects Marketing Management graduates must pass in order to have successfully completed a Bachelor of Science in Economics and Business Administration degree. Credit has been given for the other subjects in the degree programme.

Subject name	Type	ECTS	Weight	Marking/ Assessment
Microeconomics	Joint	10	10	Internal/ 7-point grading scale
Organisation with theory of science	Flexible	10	10	External/ 7-point grading scale
Accounting	Flexible	10	10	External/ 7-point grading scale
Corporate Finance	Flexible	10	10	External/ 7-point grading scale
Tools for quantitative analysis ¹⁾	Joint	10	10	Internal/ 7-point grading scale
Advanced quantitative analysis	Flexible	5	5	Internal/ 7-point grading scale
Campus-specific subject	Decided locally	15	15*	See subject description
Bachelor's project	Joint	20	20	External/ 7-point grading scale

* If a mark is awarded for the subject, the mark is weighted by the subject's ECTS value.

- 1) Students may apply for individual exemption from the statistics component of Tools for Quantitative Analysis where this subject was taken as an elective subject in their management course. The 5 ECTS points allocated to the statistics component must be replaced by an elective subject.

Special adaptation for AP Graduates from the Danish programmes in Marketing Management, Financial Management, Logistic Management, Service, Hospitality and Tourism Management and Commerce Management of the Bachelor of Science in Economics and Business Administration
