## 2. Description of the profile focus

In accordance with the curriculum, section 1.1 the student who completes the profile will obtain the same competency through academic and practical focus as described below:

### Professional focus

The focus area of the profile is management of firms within the sports and event industry. The MSc with this profile has special knowledge within the following subjects: Entertainment markets, and business, governance in the sports industry, innovation management, and strategy and competition. Further, the master has knowledge about and skills in using methods which can support development of the enterprise and especially as regards market opportunities: research methodology of the social sciences and qualitative methods, project management, and quantitative market research methods. Finally, the MSc has gained competences in defining and establishing own learning through independent work with projects and the master's thesis.

## 3. Entry requirements to the profile and entrance through supplementary courses

### 3.1 *BSc in Economics and Business Administration*

The following apply as per September 1, 2013:

Applicants with a BSc in Economics and Business Administration from The University of Southern Denmark have the right to admission to this master programme within the first year after having completed the BSc

Other applicants having passed a BSc in Economics and Business Administration are qualified for admission to the master programme.

### 3.2 *Other higher education*

Applicants may be admitted to the programme on a different basis than the admission requirements set out in subsection 3.1 if the applicant possesses comparable academic qualifications and if the university deems that the applicant will be able to complete the programme. The university may stipulate that the applicant must pass supplementary tests prior to the time fixed for the start of the programme at the latest. Furthermore, the applicant must be able to document sufficient language requirements which the Faculty of Social Sciences has defined.

In order for a degree to be deemed as providing qualifications similar to those of the BSc programme in Economics and Business Administration, the applicant must have a bachelor degree from a university. The programme must include 75 ECTS courses covering the disciplines within economics and business administration.
