Profile Description - Human Resource Management

Enclosure to the curriculum for
Master of Science in Economics and Business Administration

Enclosure to the curriculum for the Master of Science in Economics and Business Administration
(Profile: Human Resource Management)

This profile description is an enclosure to the curriculum for the Master of Science in Economics and Business Administration

The profile description applies to students commencing the profile as from 1 September 2017

It is recommended also to read the curriculum as well as the ministerial orders.

The profile description was approved on 2 December 2016 by The Academic Study Board of Business Administration and on 13 January 2017 by the Dean of the Faculty of Business and Social Sciences.

There are changes in sections 5.2, 5.3, 6 and 7. The course Research Seminar in Advanced Strategy and Organization Theory is replaced by the course Business Analytics.

1. The title of the profile in Danish and in English

The title of the profile in Danish is: Kandidatuddannelsen i Erhvervsøkonomi (med profil i Human Resource Management).

The title of the profile in English is: Master of Science in Economics and Business Administration (with profile in Human Resource Management).

2. Entry requirements

Refer to section 3 in the curriculum.

3. Description of the focus area

In accordance with the curriculum, section 1.1 the student who completes the profile will obtain the same competency through academic and practical focus as described below:

Graduates of the profile in Human Resource Management possess knowledge about managing a firm's human resources. They can connect specific human resource-related topics to broader issues of management and leadership in business organizations, and develop and implement effective human resource management strategies, which support the firm's goals.

Graduates have competences that support careers in corporate staff functions, general or human resource management, and consulting. They have theoretical and practical skills that enable them to take charge of key management functions and projects that involve the management of human resource. A key feature of the profile is its focus on systematic ways of thinking about the key policies and choices of recruiting, developing, and retaining talent.

4. Other regulations

4.1 Language

The programme is offered in English.

All compulsory courses are taught in English. Language of examination is English unless it is stipulated in the course description that the exam may also be taken in Danish. The Master Thesis is written in English. However, if the supervisor agrees, the Master's Thesis may be written in Danish. The oral exam will in this case also be in Danish.

4.2 Project oriented studies and studying abroad

Project oriented studies and studying abroad is recommended to take place in the 3rd semester of the programme.

4.3 Semester structure

Please see section 5.2.
