

How to create a Student **Non-disclosure Agreement (Stud.NDA)** to SDU RIO, Legal Services

For students at SDU

To simplify the process of receiving, register and begin the negotiation process of the Non-disclosure Agreement (NDA) for students, we want you to create your inquiry in our form:

<https://contracts.sdu.dk/>

Your inquiry will be created directly in our case management system where it will be distributed to one of our legal advisors.

Before we can begin the review of the agreement, we need the following information:

- The project title.
- The Institute you are enrolled to, and the Head of Department of the Institute.
- Contract Type: Choose “ENDA, Student Non Disclosure Agreement”.
- Contract parties: Add the external partner of the project.

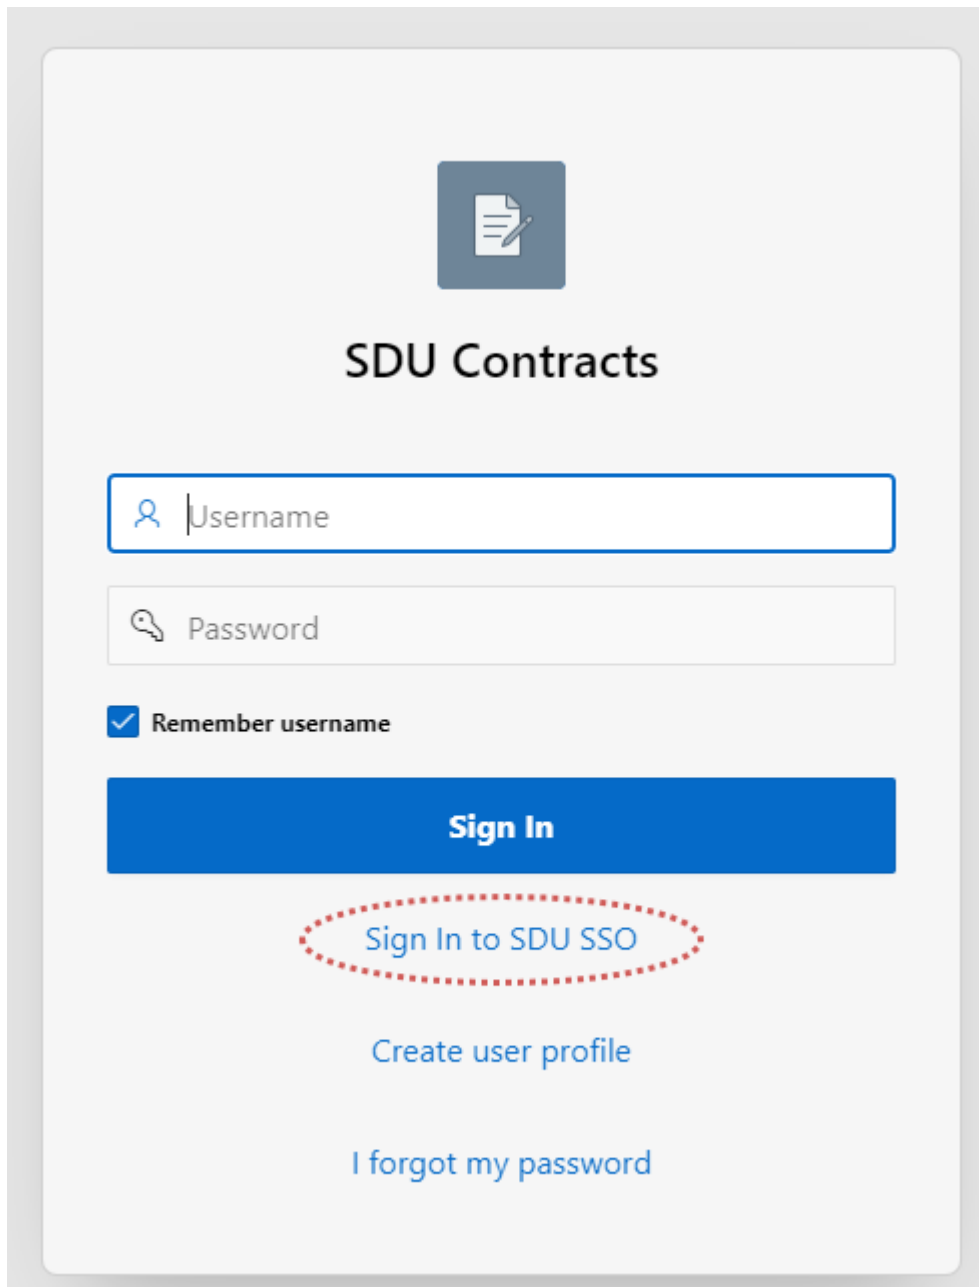

If you have a contract draft, you can upload your file (accepted filetypes: .pdf, .docx, .dot, .doc)

If you have relevant information, questions, or a comment for the legal advisor, you can write them in the 'Notes' field.

The next pages will guide you in “how to create your inquiry”.

Login with your SDU account

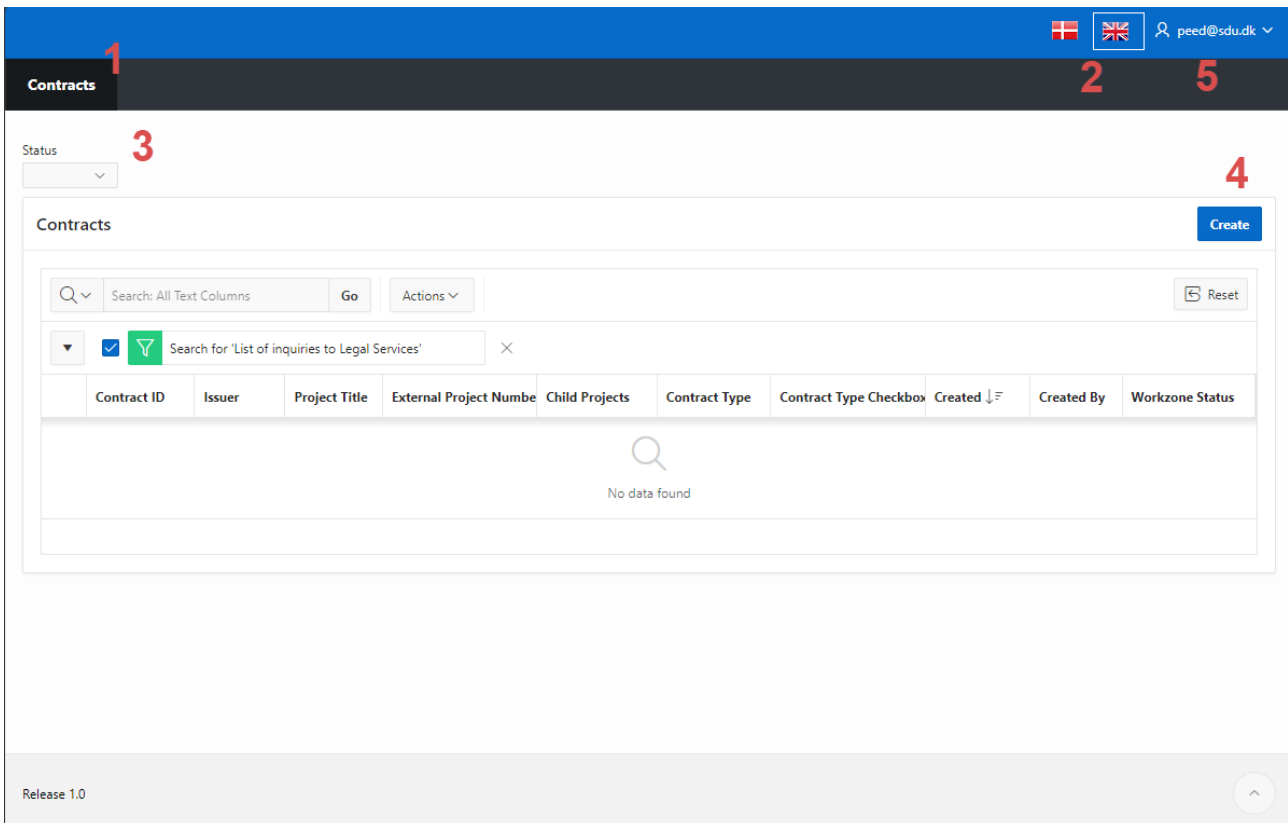

Login with your @student.sdu.dk account. Click on “Sign In to SDU SSO”.

The image shows a login form titled "SDU Contracts". At the top center is a blue square icon containing a white document with a pencil. Below the icon is the title "SDU Contracts". The form contains a "Username" input field with a person icon, a "Password" input field with a key icon, and a checked checkbox labeled "Remember username". A prominent blue "Sign In" button is located below the checkbox. Underneath the button, the text "Sign In to SDU SSO" is circled with a red dotted line. At the bottom of the form, there are two links: "Create user profile" and "I forgot my password".

Introduction to the overview

1. Links back to overview of all contracts (inquires) created by user.
2. Change language: DA/EN.
3. Status filters the created inquiries according to the Workzone Status.
4. Click on “Create” to fill out the form and create your inquiry to Legal Services.
5. Sign out.

The screenshot shows the 'Contracts' overview page in a web application. The interface includes a top navigation bar with a 'Contracts' tab (annotated with a red '1'), a language selector (Danish and English flags, annotated with a red '2'), and a user profile 'peed@sdu.dk' (annotated with a red '5'). Below the navigation bar is a 'Status' dropdown menu (annotated with a red '3') and a 'Create' button (annotated with a red '4'). The main content area features a search bar with the text 'Search: All Text Columns' and a 'Go' button. Below the search bar is a table with columns: Contract ID, Issuer, Project Title, External Project Number, Child Projects, Contract Type, Contract Type Checkbox, Created (with a sort icon), Created By, and Workzone Status. The table currently displays 'No data found' with a magnifying glass icon. A 'Reset' button is located to the right of the search bar. The footer of the page shows 'Release 1.0' and a scroll-to-top button.
