## Modesty

You do not seek the limelight

You like being in situations where you do not need to highlight yourself

## Humor

You love laughing and making other people smile

You try to find the bright side of every situation

## Creativity

You think about how to do things in new ways

You are always full of good ideas on how to do things differently

## Self-control

You are determined and focused

You don't let yourself get distracted by sudden impulses and you thrive on structure
