

Overview of Projects Accepted by Studenterpuljen

Project Name	Description	Amount
Funding for Lectures and Events		
Academic day at Religious Studies	Funding for a day with academic presentations for students of Religious Studies. Funds allocated for catering.	3,000 DKK
Team-Building Day for Political Science	Funding for social activities for Political Science students. Funds used to book activities. A small participant fee was included in the budget.	3,000 DKK
IVK's 20-year Anniversary	Funding for an event featuring comedian Conrad Molden, who performs material on cultural and linguistic differences between Danish and English languages. The event thus had both academic and social value.	32,250 DKK
Academic Lecture – SAKS Odense	Surgical lecture with a patient who had a leg amputated, with input from an orthopedic surgeon. Funds allocated for honorarium and light refreshments for the attendees.	14,500 DKK
Lecture on Euthanasia	Funding for catering at a lecture on euthanasia.	5,000 DKK
Lectures organized by Studieforum HA	Funding for two lectures open to all students. The speakers were highly relevant academically while also being of broad interest to the students at SDU.	74,000 DKK
Lecture on Military Medical Work with Doctors Without Borders – FAM Odense	Funding for refreshments for attendees.	2,500 DKK
Events on Space Missions	Funding for catering during a series of events where participants watched live space missions together.	2,000 DKK
Academic and Social Team-Building Days – European Studies in Sønderborg	Funding for three events with various activities for students at Campus Sønderborg.	3,000 DKK
Team-Building Event for Literature Studies	Funding for a social event where participants visited a karaoke bar.	500 DKK
Event at the Student House Related to Eastern European Elections	Funding for catering and speaker transportation.	3,800 DKK

Lecture on Protests in Serbia	Funding for a lecture with funding for honorarium, transportation, catering, and promotion.	5,000 DKK
Funding for equipment/furniture		
New Furniture for Study Zone – Student Council for Robotics	Funding for the purchase of new furniture to improve the functionality and appeal of the study room.	12,500 DKK
SDU Vikings Racing Team	Funding for redesigning a racing car for a competition. The project aims to develop new design solutions and enhance student skills, making the car more competitive.	150,000 DKK
GoPro Camera + Equipment – SDU Ski Club	Funding for purchasing a GoPro camera to help the association promote itself and strengthen community across faculties.	7,500 DKK
Combat Archery Equipment – Institutdysten	Funding for purchasing Combat Archery equipment for use in the Institutdysten and for lending upon request.	22,250 DKK
New Furniture for Study Room – Health Informatics and Technology	Funding for new furniture in the study room. The applicant wanted to make the room more inviting so that more students would make use of it.	20,000 DKK
Purchase of 3D Printer + Equipment – DevLab	Funding for purchasing a 3D printer and necessary equipment. The association aims to enhance student skills in using various technologies.	61,416 DKK
Funding for the Establishment of Student Associations		
SDU Boardgames in Sønderborg	Funding for the establishment of an association where students meet to play board games. Funds are provided for the purchase, storage, and repair of games.	10,000 DKK
Fritidsordningen	Funding for the establishment of Fritidsordningen, which aims to strengthen community and improve well-being among psychology students and other interested individuals. The group organizes a weekly event every Monday afternoon, where students across years and faculties can meet in a relaxed and informal setting.	37,800 DKK
The Yarn Society	Funding for the purchase of yarn and tools for starting an association centered around knitting.	3,000 DKK

SDU Gaming	Funding for the startup of an association. Funds provided for catering for a year's worth of events.	6,000 DKK
Plica Vocalis	Funding for the establishment of the new student association Plica Vocalis, which aims to create a choir at the Odense Campus. Funds were allocated for the choir leader's fee and the purchase of related equipment.	20,000 DKK
Funding for Off-Campus Trips		
Fossil Excursion	Funding granted for a five-day fossil excursion to Bornholm to search for bones and teeth from dinosaurs, plesiosaurs, sharks, and more.	30,000 DKK
Trip to the North Sea Oceanarium	Funding for transportation to and from Hirtshals, where participants received lectures and had the opportunity to sleep among the ocean sunfish in the aquarium. The next day included a behind-the-scenes tour at Aalborg Zoo.	20,000 DKK
