Erasmus+ Exchange places 2021/2022
Faculty of Engineering

Application deadline 1 November 2020

How to read the guide:

ID number to identify each specific agreement

Studies covered by the exchange

Special requirements and considerations to take into account for this particular

1	2857	Italy	University of Bergamo	School of Engineering	undergraduate / graduate	3	Teknik TEK / engineering	Some bachelor students may follow master courses in Bergamo
---	------	-------	-----------------------	-----------------------	--------------------------	---	--------------------------	---

University name – and often also remember to check their website for further information! If a department or Institute is listed, then you can only choose courses from these.

Number of exchange places on the exchange agreement, as well as academic level. Undergraduate = BA level / graduate = master level

Important:

- Remember to check for relevant courses at each university where you apply for an exchange place – for more information [click here](#)
- There is no limit on the number of exchange places you can apply for – and we recommend you apply for at least 5 to improve your chances of getting a place.
- Explore our website about studying abroad – here you will find relevant information on your options, how to do it, practicalities, and more. You can explore our pages at www.sdu.dk/studyabroad

Do you need help or guidance?

You are always welcome to contact us at SDU International!

- You can email us via SPOC by [clicking here](#).
- Or call us during our office hours from 10am to 2pm every weekday at **+45 6550 2264**
- You can also **meet our international coordinators at Student Services**, Gydehutzen, campus Odense, on weekdays from 10am to 2pm.
