ID number to identify each specific agreement

Studies covered by the exchange

Special requirements and considerations to take into account for this particular

University name – and often also remember to check their website for further information! If a department or Institute is listed, then you can only choose courses from these.

Number of exchange places on the exchange agreement, as well as academic level. Undergraduate = BA level / graduate = master level

Important:

- Remember to check for relevant courses at each university where you apply for an exchange place – for more information [click here](#)
- There is no limit on the number of exchange places you can apply for – and we recommend you apply for at least 5 to improve your chances of getting a place.
- Explore our website about studying abroad – here you will find relevant information on your options, how to do it, practicalities, and more. You can explore our pages at www.sdu.dk/studyabroad
