**Overseas exchange places 2021/2022**

**All faculties**

**Application deadline 1 March 2021**

# How to read the guide:

ID number to identify each specific agreement

Studies covered by the exchange

Special requirements and considerations to take into account for this particular

3572	South Korea	Seoul National University of Science and Technology		undergraduate/graduate	3	Business and Social Sciences (SAMF) Engineering (TEK)	2 places reserved for Engineering. Not possible to study business at master level.
------	-------------	---	--	------------------------	---	--	--

University name – and often also remember to check their website for further information! If a department or Institute is listed, then you can only choose courses from these.

Number of exchange places on the exchange agreement, as well as academic level. Undergraduate = BA level / graduate = master level

## Important:

- Remember to check for relevant courses at each university where you apply for an exchange place – for more information [click here](#)
- There is no limit on the number of exchange places you can apply for – and we recommend you apply for at least 5 to improve your chances of getting a place.
- Explore our website about studying abroad – here you will find relevant information on your options, how to do it, practicalities, and more. You can explore our pages at [www.sdu.dk/studyabroad](http://www.sdu.dk/studyabroad)

## Do you need help or guidance?

You are always welcome to contact us at SDU International!

- You can email us via SPOC by [clicking here](#).
- Or call us during our office hours from 10am to 2pm every weekday at **+45 6550 2264**
- You can also **meet our international coordinators at Student Services**, Gydehutzen, campus Odense, on weekdays from 10am to 2pm.
