Important:

- Remember to check for relevant courses at each university where you apply for an exchange place – for more information please go to mitsdu.dk > **Mit studie** > **Study abroad**
- There is no limit on the number of exchange places you can apply for – and we recommend you apply for at least 5 to improve your chances of getting a place
- Explore our website about studying abroad – here you will find relevant information on your options, how to do it, practicalities, and more. You can explore our pages at mitsdu.dk > **Mit studie** > **Study abroad**
- Please find our contact info below

Please note:

Reservations

Please note that the offer of exchange places is subject to changes that are outside SDU International's control. Some partner universities may decline to receive exchange students in a specific academic period, or may choose to reduce their intake of exchange students at a later stage – even though there is an active exchange agreement between SDU and the partner university.

For the academic year 2022-23 in particular, not all European exchange places have been confirmed yet due to delay in implementing the new Erasmus+ exchange programme. This means that a few Erasmus partner universities may not be able to offer an exchange place after all. This could imply that we may not be able to award a specific exchange place even though it is shown in this list.

We always recommend that you have more than one university in your list of priorities in your application. At SDU International we will do our utmost to help you go on exchange. If you have any questions or concerns, please just reach out to us.

Do you need help or guidance?

You are always welcome to contact us at SDU International!
