Number of exchange places on the exchange agreement, as well as academic level. Undergraduate = BA level / graduate = master level

Important:

Remember to check for relevant courses at each university where you apply for an exchange place – for more information please go to www.sdu.dk/studyabroad > **How to do it**

- We always recommend that you have more than one university in your list of priorities in your application, we recommend you apply for at least 5 to improve your chances of getting a place. Please notice that the maximum number of priorities is 10.
- Explore our website about studying abroad – here you will find relevant information on your options, how to do it, practicalities, and more. You can explore our pages at www.sdu.dk/studyabroad
- Please find our contact info below

Please note:

Reservations

Please note that the offer of exchange places is subject to changes that are outside SDU International's control. Some partner universities may decline to receive exchange students in a specific academic period, or may choose to reduce their intake of exchange students at a later stage – even though there is an active exchange agreement between SDU and the partner university.

At SDU International we will do our utmost to help you go on exchange. If you have any questions or concerns, please just reach out to us.
