3515	Belgium	Ghent University	Faculty of Sciences	undergraduate / graduate	4	Biochemistry Datalogi Computer science is offered as a Dutch study programme, but offers several courses in English each semester. 2 places for Biochemistry and 2 for Datalogi

University name – and often also remember to check their website for further information! If a department or Institute is listed, then you can only choose courses from these.

Number of exchange places on the exchange agreement, as well as academic level. Undergraduate = BA level / graduate = master level

## Important:

Remember to check for relevant courses at each university where you apply for an exchange place – for more information please go to [www.mitsdu.dk/studyabroad](http://www.mitsdu.dk/studyabroad) > How to do it

- We always recommend that you have more than one university in your list of priorities in your application, we recommend you apply for at least 5 to improve your chances of getting a place. Please notice that the maximum number of priorities is 10.
- Explore our website about studying abroad – here you will find relevant information on your options, how to do it, practicalities, and more. You can explore our pages at [www.mitsdu.dk/studyabroad](http://www.mitsdu.dk/studyabroad)
- Please find our contact info below

## Please note:

### Reservations

Please note that the offer of exchange places is subject to changes that are outside SDU International's control. Some partner universities may decline to receive exchange students in a specific academic period, or may choose to reduce their intake of exchange students at a later stage – even though there is an active exchange agreement between SDU and the partner university.

At SDU International we will do our utmost to help you go on exchange. If you have any questions or concerns, please just reach out to us.
