Exchange catalogue

European places | 2026-2027
Faculty of Humanities

Application deadline:

1 November 2025

What you should know when applying...

- Find relevant courses for each of your priorities
 -  TIP! Good search words for finding the course offer for exchange students can be the university's name + *incoming exchange* and/or *courses for incoming exchange*.
 - Once you have found courses, remember to check:
 - 1) the academic level (bachelor or master)
 - 2) the semester (autumn or spring)
 - 3) the language of instruction (English or local language)
 - Unsure about which courses fit your study programme? Find out who to contact below 
- Our recommendation: list at least 5 priorities (to improve your chances of getting a place)
- The maximum number of priorities is 8
- Check out mitsdu.dk/studyabroad > *How to do it* > *Application to SDU* for more advice
- Need to get in touch with the International Office? Find our contact info below 

... and reservations we want you to know about

The offer of exchange places is subject to changes that are outside the International Office's control. Some partner universities may decline to receive exchange students in specific academic periods or might reduce their intake of exchange students at a later stage, even though there is an active exchange agreement between SDU and the partner university.

However, you should know that we at the International Office will do our utmost to help you go on exchange 

Need help or guidance?

- Check out mitsdu.dk/studyabroad > *How to do it* > *Application to SDU*
- Take part in our Information Meetings: mitsdu.dk/studyabroad > *Information meetings*
- Write us via SPOC: spoc.sdu.dk > *International Office*
- Call us: **+45 6550 2264**
- Meet us at **Campus Odense** or during Open Office in the campus cities: mitsdu.dk/studyabroad > *Information meetings*
- Need guidance on which courses fit your study programme? Ask the academic advisors at your study: mitsdu.dk/counsellingservices > *Counselling specific to your study programme*

North2north Network

north2north is an arctic network with many universities around the Arctic. Many of them are also partners with SDU within other programs or networks. You will find north2north exchange places in the catalogue for European universities as well as in the catalogue for overseas universities.

Exchange places within the north2north Network

- Places are announced in the usual SDU application round 1 November
- If you are eligible for the exchange place, we will nominate you to the north2north main office in Finland.
- Allocation of places is done by the main office in Finland
- You will receive a decision in late February

North2north exchange places seen in relation to the ordinary exchange places

- When you apply to go on exchange through north2north please note that it will not be possible to be offered an ordinary exchange place as back-up for the application for a north2north place. Applications for ordinary exchange places will receive an answer before Christmas
- If you apply only for north2north exchange places, you will not get an answer until late February
- If you apply with a list of priorities mixed between north2north and ordinary exchange places. Please make a comment on whether you will take the north2north only if nothing else is available or if you will stick to your list of priorities.

Alternative plan if you apply for north2north

- If are nominated for a north2north exchange place but do not receive an offer from the main office in Finland, you will have the possibility to apply again in the SDU application round 1 March 2026.

Please feel free to contact International Office if you have any questions
