

Study Abroad

Exchange catalogue

European places | Spring 2027
Faculty of Science

Application deadline:
1 October 2026

What you should know when applying...

- Find relevant courses for each of your priorities
 -  TIP! Good search words for finding the course offer for exchange students can be the university's name + *incoming exchange* and/or *courses for incoming exchange*.
 - Once you have found courses, remember to check:
 - 1) the academic level (bachelor or master)
 - 2) the semester (autumn or spring)
 - 3) the language of instruction (English or local language)
 - Unsure about which courses fit your study programme? Find out who to contact below 
- Our recommendation: list at least 5 priorities (to improve your chances of getting a place)
- The maximum number of priorities is 8
- Check out mitsdu.dk/studyabroad > *How to do it* > *Application to SDU* for more advice
- Need to get in touch with the International Office? Find our contact info below 

... and reservations we want you to know about

The offer of exchange places is subject to changes that are outside the International Office's control. Some partner universities may decline to receive exchange students in specific academic periods or might reduce their intake of exchange students at a later stage, even though there is an active exchange agreement between SDU and the partner university.

However, you should know that we at the International Office will do our utmost to help you go on exchange 

Need help or guidance?

- Check out mitsdu.dk/studyabroad > *How to do it* > *Application to SDU*
- Take part in our Information Meetings: mitsdu.dk/studyabroad > *Information meetings*
- Write us via SPOC: spoc.sdu.dk > *International Office*
- Call us: **+45 6550 2264**
- Meet us at **Campus Odense** or during Open Office in the campus cities: mitsdu.dk/studyabroad > *Information meetings*
- Need guidance on which courses fit your study programme? Ask the academic advisors at your study: mitsdu.dk/counsellingservices > *Counselling specific to your study programme*
