

Orientation Day Programme – 31st of August 2020

For exchange students Autumn 2020 at the Faculty of Health Sciences

Dear student!

Welcome to SDU and the Faculty of Health Sciences!

The Orientation Day programme on 31st of August 2020 is an introduction to studying at SDU. The programme will touch upon the study programme, rules, IT and practicalities that are instrumental for making your exchange stay at SDU as smooth and rewarding as possible. Our student advisors will be a main feature in the programme as they will introduce you to teaching forms, examination forms and rules. They will show you how to navigate the e-learn platform Blackboard where you'll find timetables, submit assignments, find study materials as well as how to use Student Self-Service.

Time and place

The programme takes place on Monday 31st of August 2020 via Zoom:
