3.

Search for our institution - University of Southern Denmark and click on 'Next'.

4.

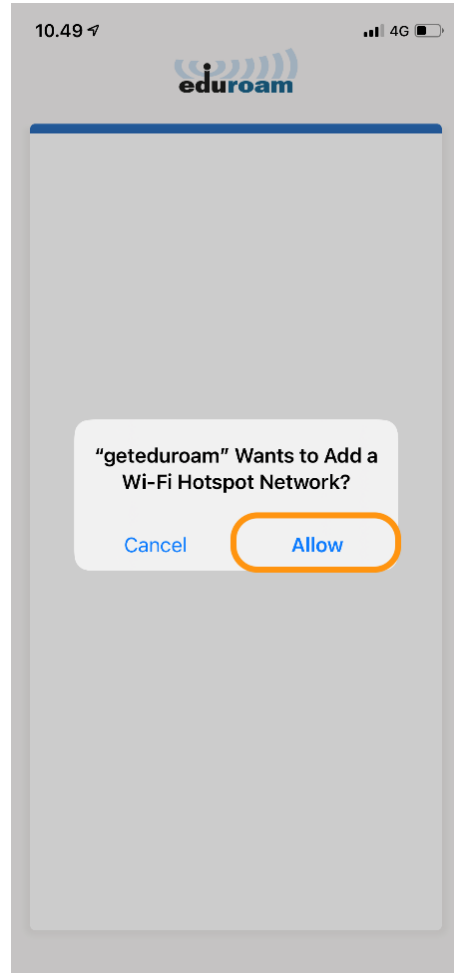

Enter your user information. The username is your SDU-mail (xxxx99@student.sdu.dk). The password is the same that you use for itslearning or sso.sdu.dk. Last, click on 'Connect to network'.

The screenshot shows the SDU eduroam login interface on a mobile device. At the top, the status bar displays the time 10:46, signal strength, 4G, and battery level. Below the status bar, there is a navigation bar with a back arrow and the text 'App Store' on the left, and the 'eduroam' logo on the right. The main content area features the SDU logo at the top, followed by a 'Username' label and an input field containing the placeholder text 'username'. Below this is a 'Password' label and an empty input field. A note below the password field reads: '*Note: if the connection fails, please check your password'. At the bottom of the form is a blue button with the text 'Connect to network'. Below the button, there is a link: 'Need help? [Click here for support](#)'.

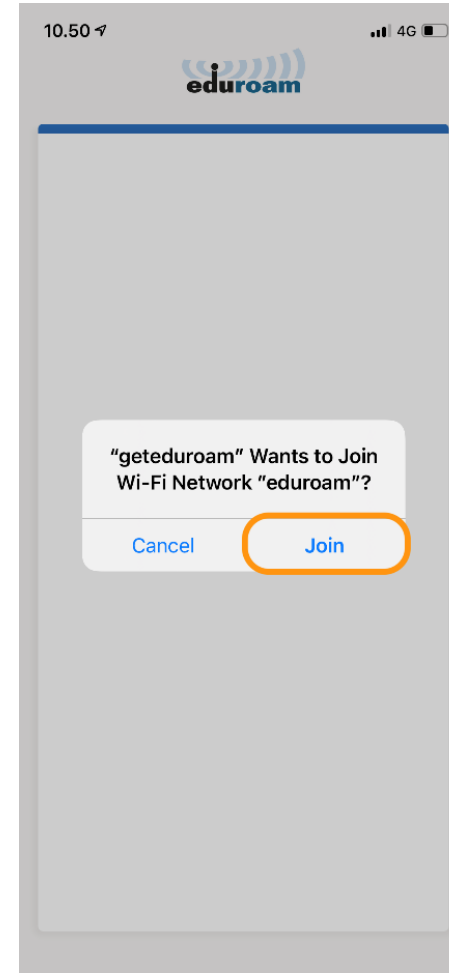

5.

Click 'Allow'.

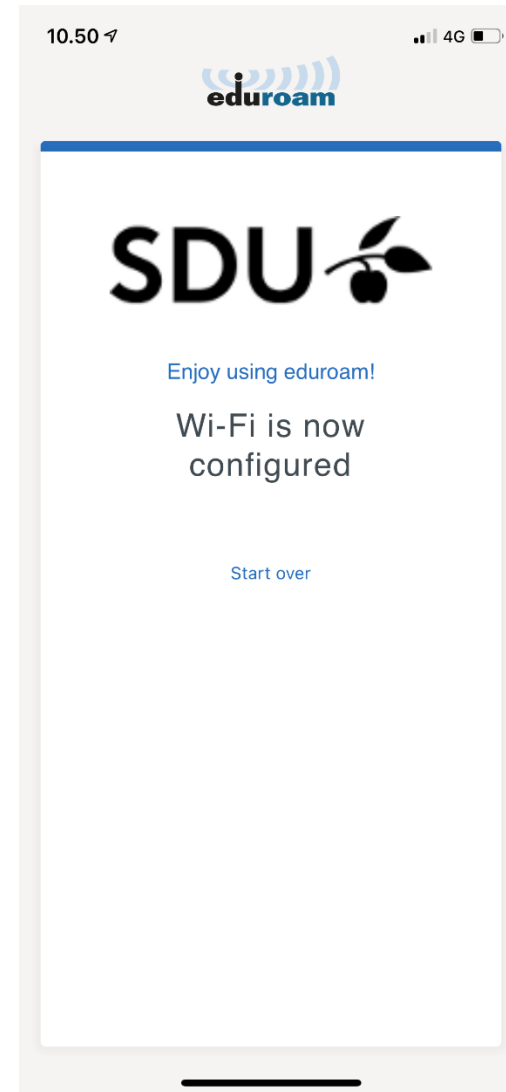

6.

Click 'Join'.

7.

You are now ready to use Eduroam 😊
