

Guide for CaTool

- Windows

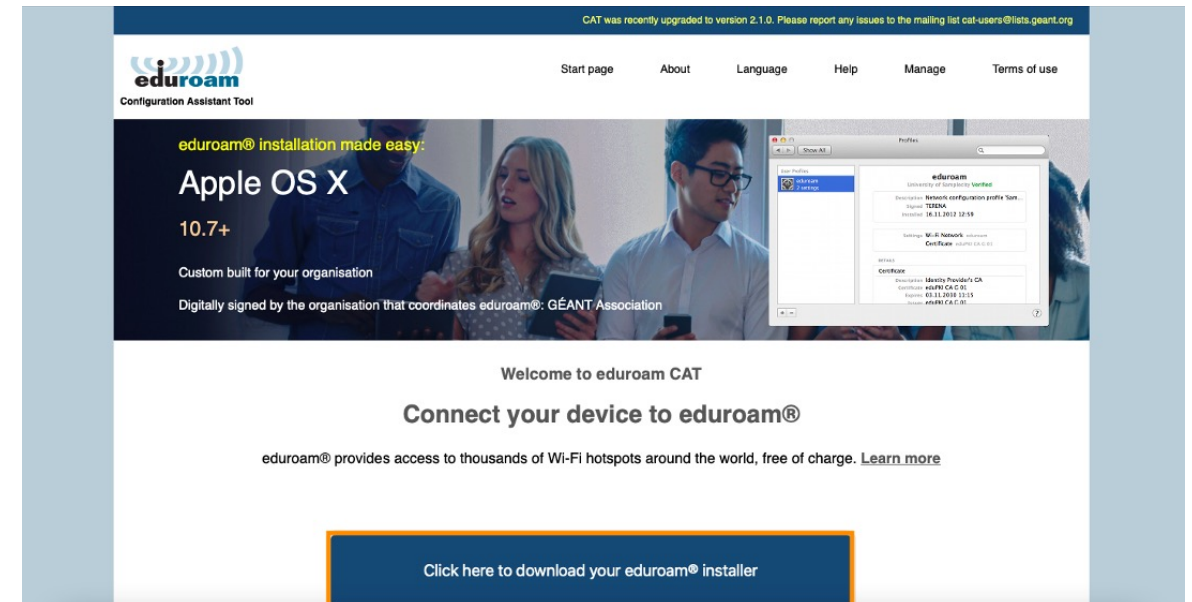

1.

Go to <https://cat.eduroam.org/>

2.

Click the button labeled 'Click here to download your eduroam installer'.

3.

Choose your institution from the list - University of Southern Denmark.

The screenshot shows the eduroam Configuration Assistant Tool (CAT) interface. The main window displays the eduroam logo and text: "eduroam® installation made easy:", "Apple iOS devices", "iPhone, iPad, iPod touch", "Custom built for your organisation", and "Digitally signed by the organisation that coordinates eduroam®: GEANT Association". Below this, it says "Welcome to eduroam CAT" and "Connect your device to eduroam". A button at the bottom says "Click here to download your eduroam® installer".

An "Organisation" dropdown menu is open on the right, showing a list of institutions. The first item, "University of Southern Denmark", is highlighted with an orange border. The list includes the following items:

- University of Southern Denmark (Denmark 2 km) - SDU logo
- UC SYD (Denmark 59 km) - UC SYD logo
- VIA University College (Denmark 61 km) - VIA University College logo
- Professionshøjskolen Absalon (Denmark 73 km) - ABSALON logo
- EFIF (Denmark 82 km) - EFIF logo
- Arkitektskolen Aarhus (Denmark 86 km) - ARKITEKTSKOLEN AARHUS logo
- Aarhus University (Denmark 87 km) - AARHUS UNIVERSITET logo
- Alexandra Institute (Denmark 87 km) - ALEXANDRA INSTITUTE logo
- AARHUS TECH (Denmark 89 km) - AARHUS TECH logo

Below the list, there is a search bar with the text "Q: for search for an organisation, for example University of Oslo". A link "Help, my organisation is not on the list" is also present. At the bottom of the dropdown, there is a button "Locate me more accurately using HTML5 Geo-Location" and a section "Show organisations in" with a dropdown set to "Denmark" and a link "show all countries".

4.

Click on 'Continue'.

Configuration Assistant Tool

University of Southern Denmark [select another](#)

If you encounter problems, then you can obtain direct assistance from your organisation at:
 WWW: <http://wifi.sdu.dk>
 email: servicedesk@sdu.dk
 tel: +45 65502990

 Download your installer for MS Windows 8 and newer

 

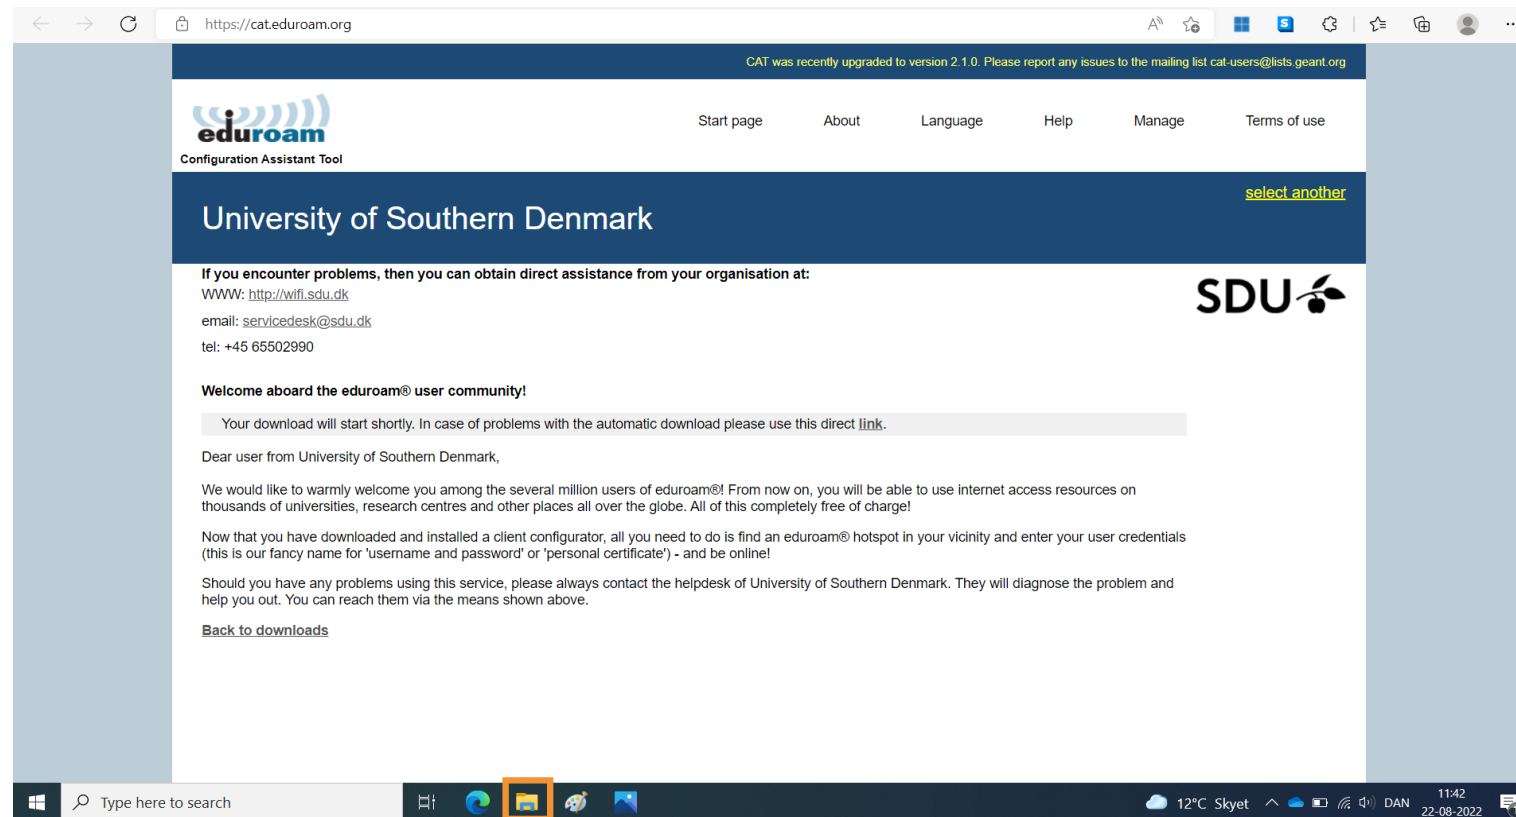

Remember to use your SDU mailaddress as your username! [Continue](#)

[Choose another installer to download](#)

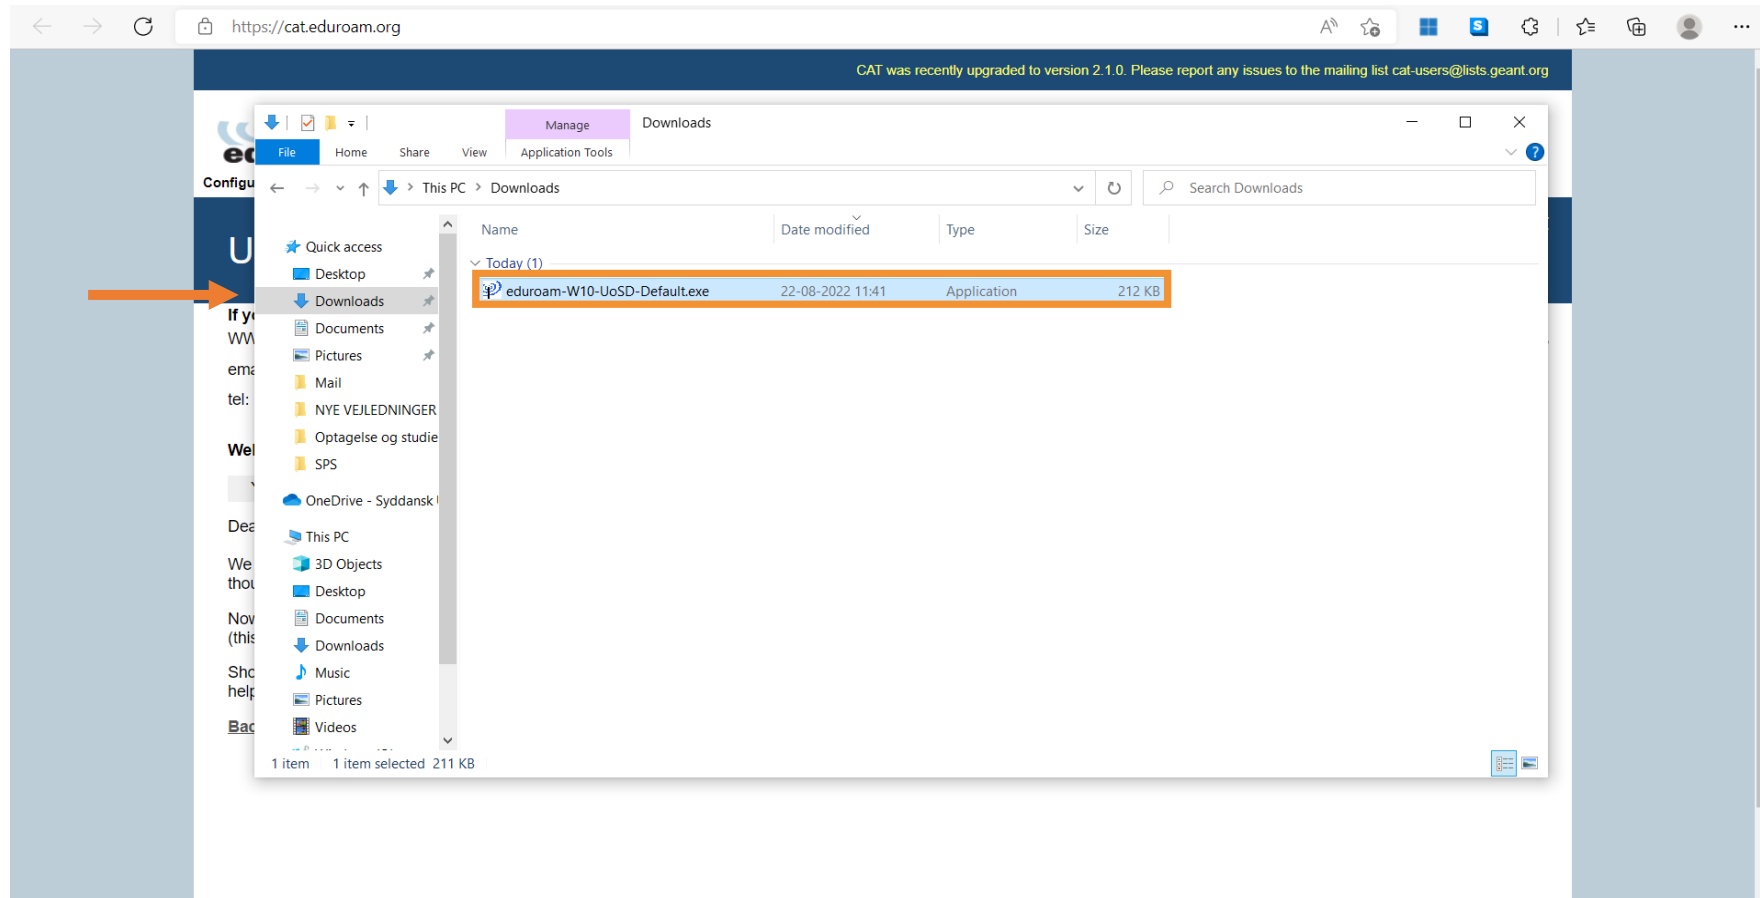

5.

Open your file explorer app as shown below. If you can't find it on your taskbar, use the windows search function and search for 'File explorer'.

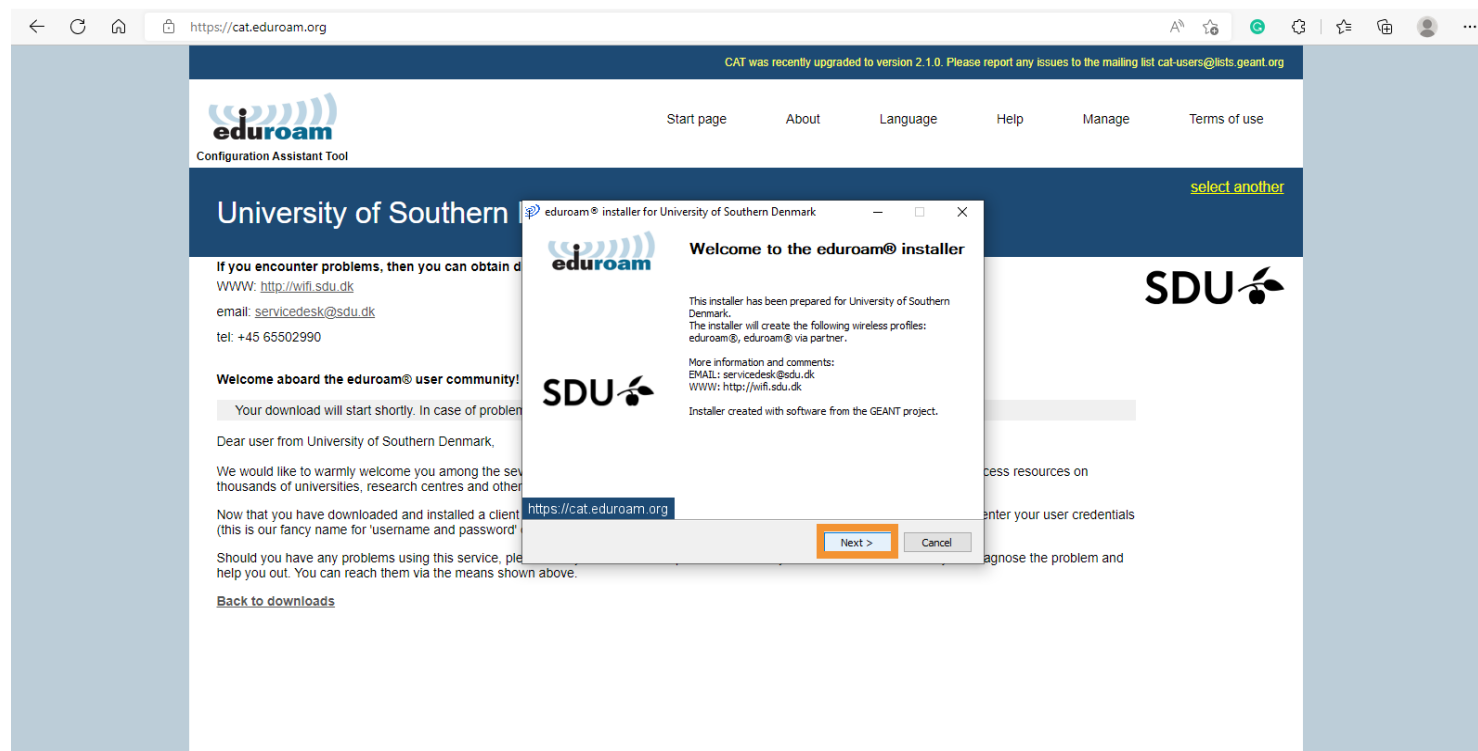

6.

Open the folder 'Downloads'. Double click on the eduroam-file.

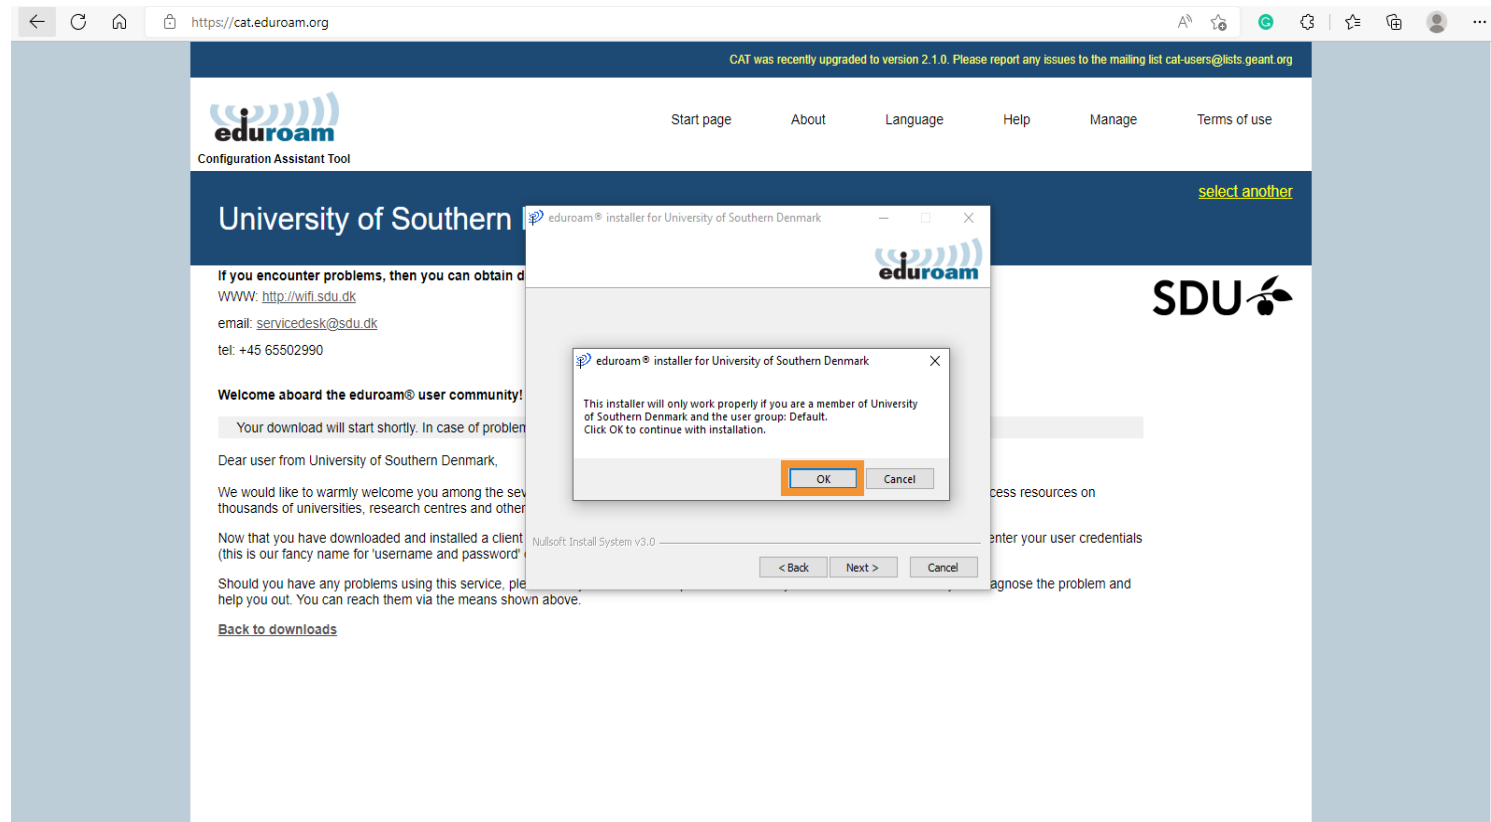

7.

Click on the button 'next'.

8.

Click on 'OK'.

9.

The user information must be filled in. The username your SDU-mail (xxxx@student.sdu.dk). The password is the same that you use for itslearning or sso.sdu.dk and you have to type it in twice. It is very important to enter the password correctly, as it won't tell you whether the password was entered correctly or not. Afterwards click on 'Install'.

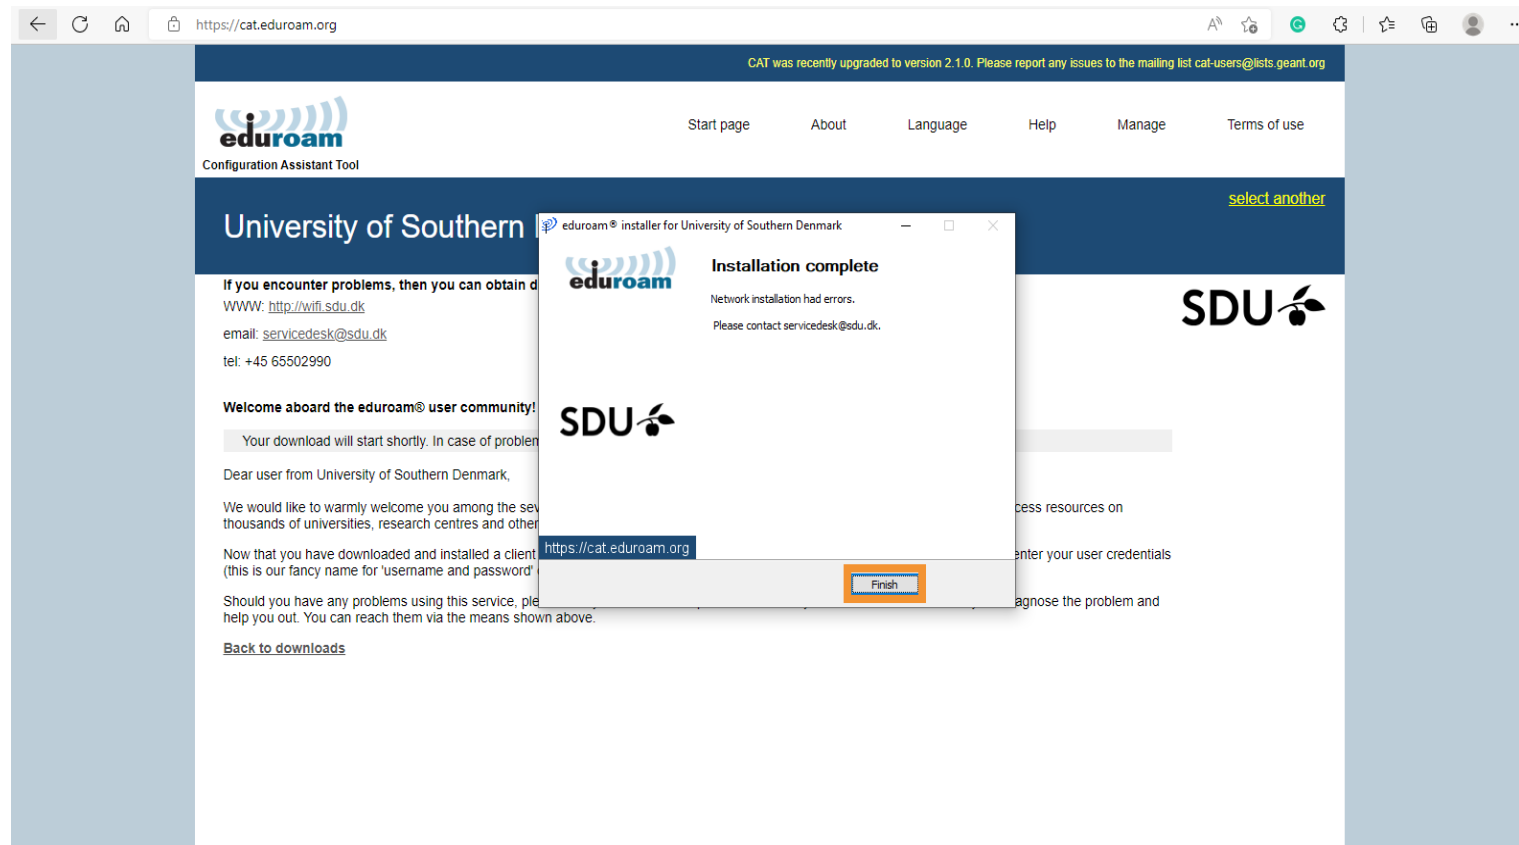

The screenshot shows a web browser at <https://cat.eduroam.org>. The page features the eduroam logo and navigation links: Start page, About, Language, Help, Manage, and Terms of use. A notification at the top states: "CAT was recently upgraded to version 2.1.0. Please report any issues to the mailing list cat-users@lists.geant.org".

The main content area is titled "University of Southern Denmark" and includes contact information: "If you encounter problems, then you can obtain d... WWW: <http://wifi.sdu.dk> email: servicedesk@sdu.dk tel: +45 65502990". It also welcomes users to the eduroam community and provides instructions on how to obtain user credentials.

Overlaid on the website is the "eduroam® installer for University of Southern Denmark" window. The "User credentials" section contains three input fields: "Username:", "Password:", and "Repeat password:". The "Install" button is highlighted with an orange border.

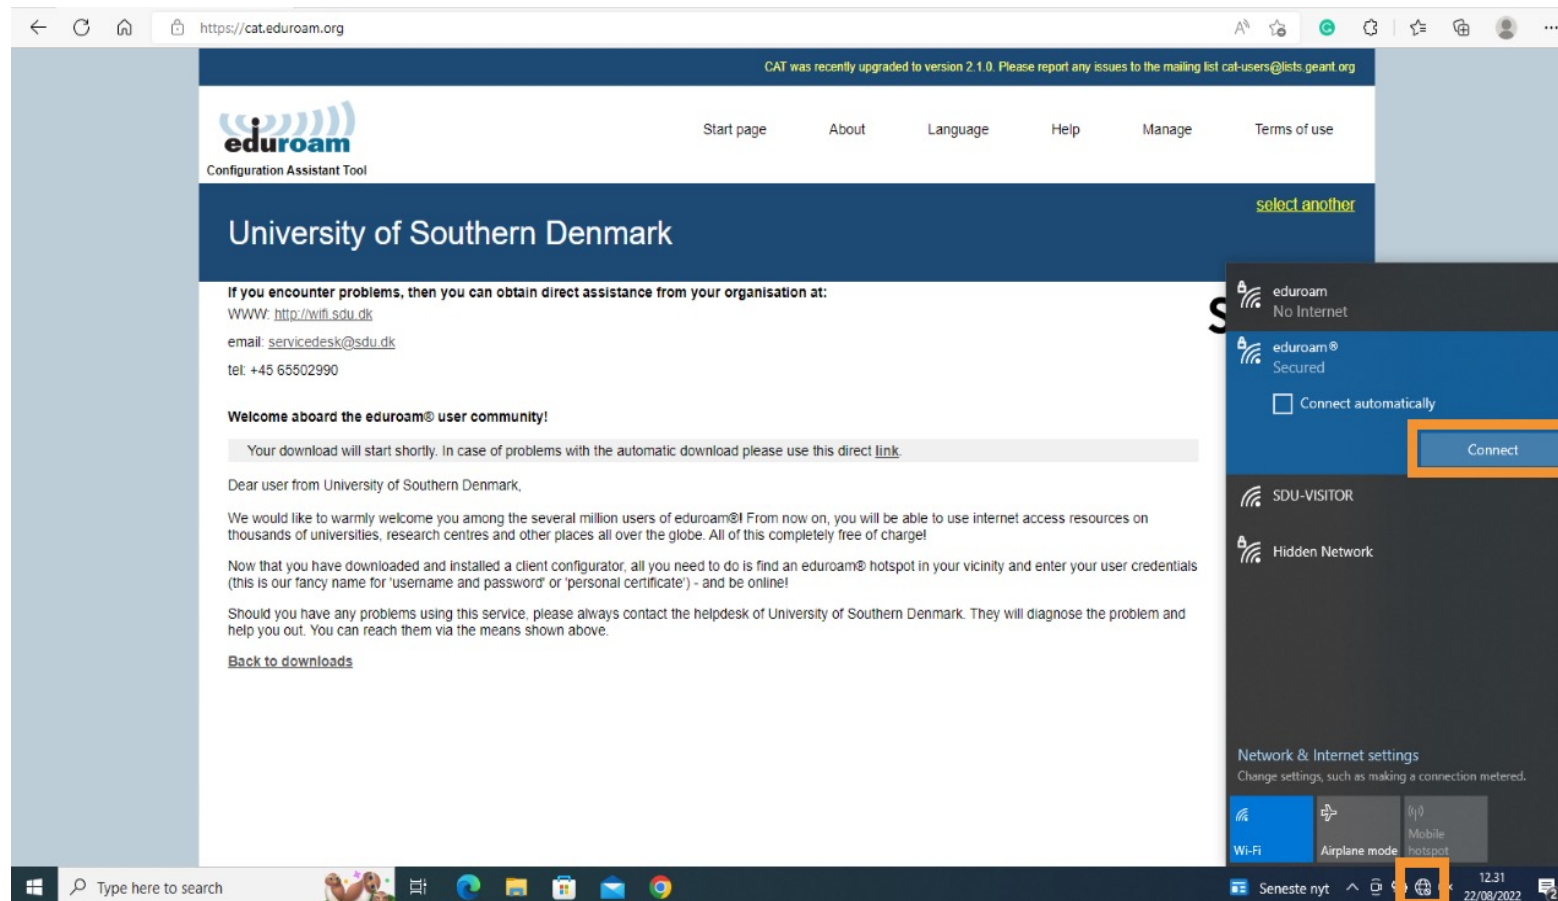

10.

Click on 'Finish'.

11.

Then, check if you're logged in to Eduroam otherwise do so by clicking on 'Connect' and then type in your SDU-mail as the username and the password that you just used to install the CaTool. Continue the process to log in to Eduroam. When the process has been done, then you should be connected to Eduroam 😊

If you experience any trouble, then please contact
us on **servicedesk@sdu.dk**.
