

HOW TO START THE CHARGE POINT:

1. Scan the QR code on the charge point or download the Monta app from the AppStore or Google play

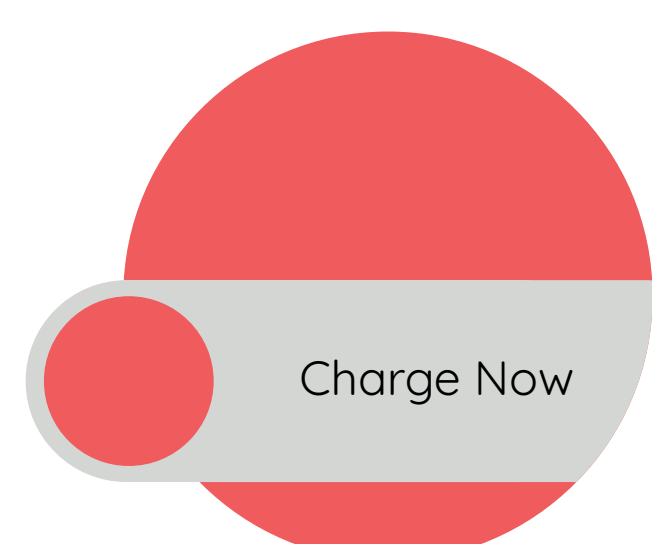

If you have an iPhone you can use the charge point without downloading the Monta app. Simply scan the QR code to access the charge point.

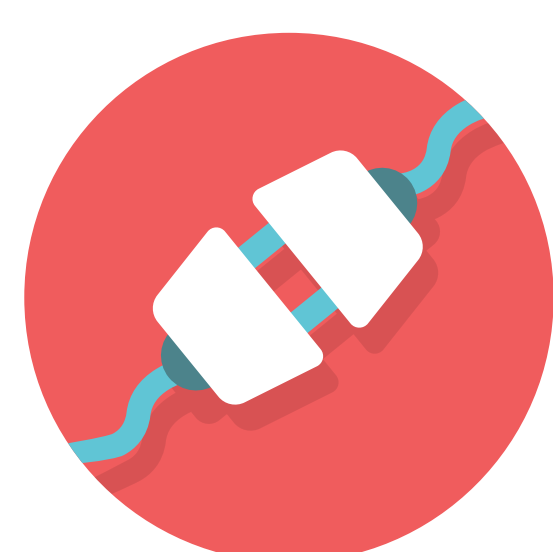

2. After downloading the Monta app, scan the QR code on the charge point again. This will open the charge point you are standing next to

3. Select your charging settings and payment method

4. Swipe "Charge now" on your phone

5. Place the charging cable in the charge point - charging should start

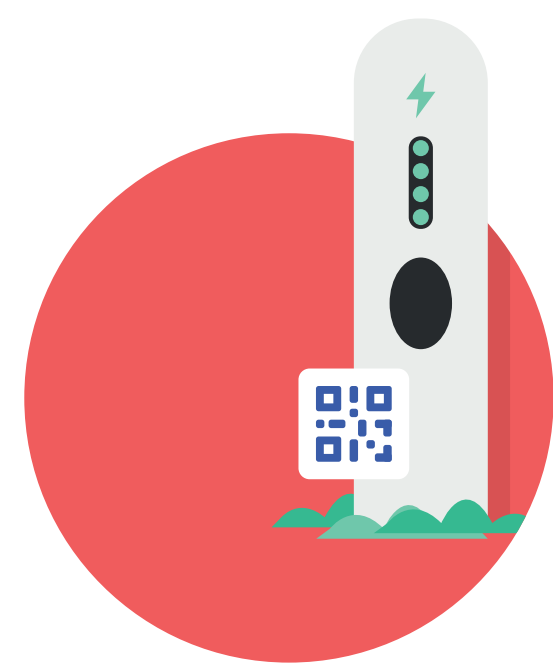

6. You can stop the charging from the app or from your car

SÅDAN STARTER DU LADESTANDEREN:

1. Scan QR-koden på ladestanderen eller hent Monta i AppStore eller Google Play

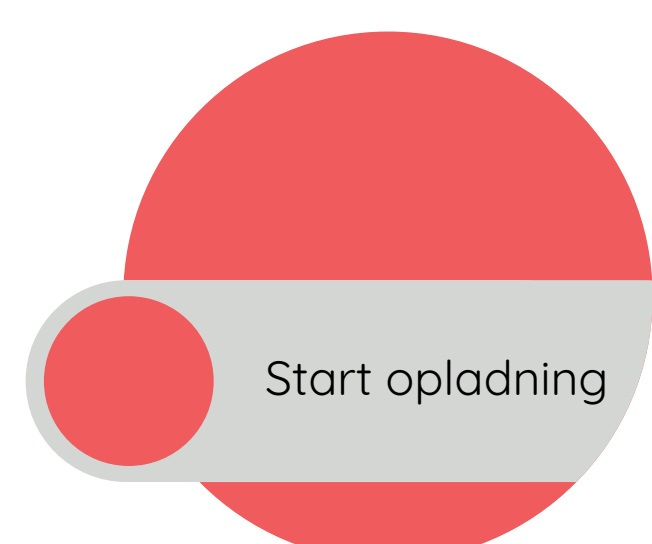

Hvis du har en iPhone, kan du bruge ladestanderen uden at downloade Monta. Scan blot QR-koden for at tilgå ladestanderen.

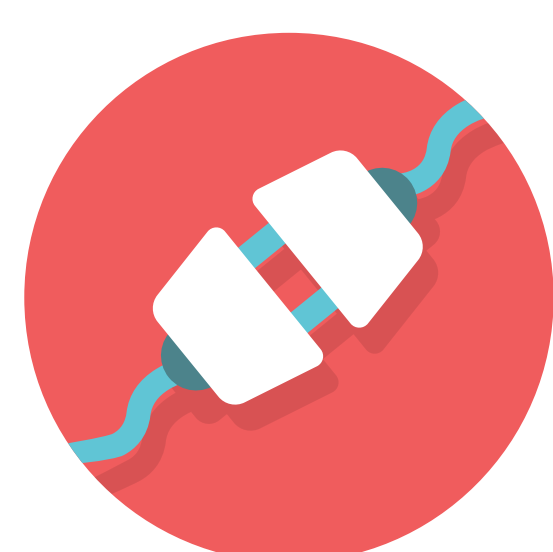

2. Scan QR-koden på ladestanderen igen efter du har downloadet Monta. Dette åbner ladestanderen, du står ved

3. Vælg dine ladeindstillinger og betalingsmåde

4. Swipe "Start opladning" på telefonen

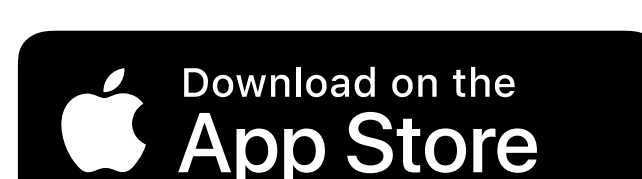

5. Sæt ladekablet i ladestanderen
- opladningen bør starte

6. Du stopper opladningen fra appen eller din bil

Kontakt Monta support, hvis du har problemer med opladningen. Du finder Support i appen under "Mig"-menuen eller skriv til support@monta.app
