

Disclaimer

Support of Student's Private IT Equipment

I hereby grant permission for an IT-service staff member to examine and if necessary change the settings on my computer in an attempt to help me gaining access to the student services and features provided by IT-service.

IT-service cannot guarantee that possible problems are solved.

By signing this disclaimer, I acknowledge and understand that IT-service CANNOT be held responsible whatsoever for any subsequent problems with hardware, problems with operating systems, problems with installed programs or services, loss of data, configuration changes or other issues concerning the computer in question.
